Allcargo Boosts Logistics Support for India's MSMEs

- Allcargo expands its logistics network to strengthen MSME supply chains.
- Service now covers 100% of India's serviceable PIN codes.
- Network expansion improves delivery speed and shipment visibility.
- The initiative helps MSMEs reach more markets and scale their business.

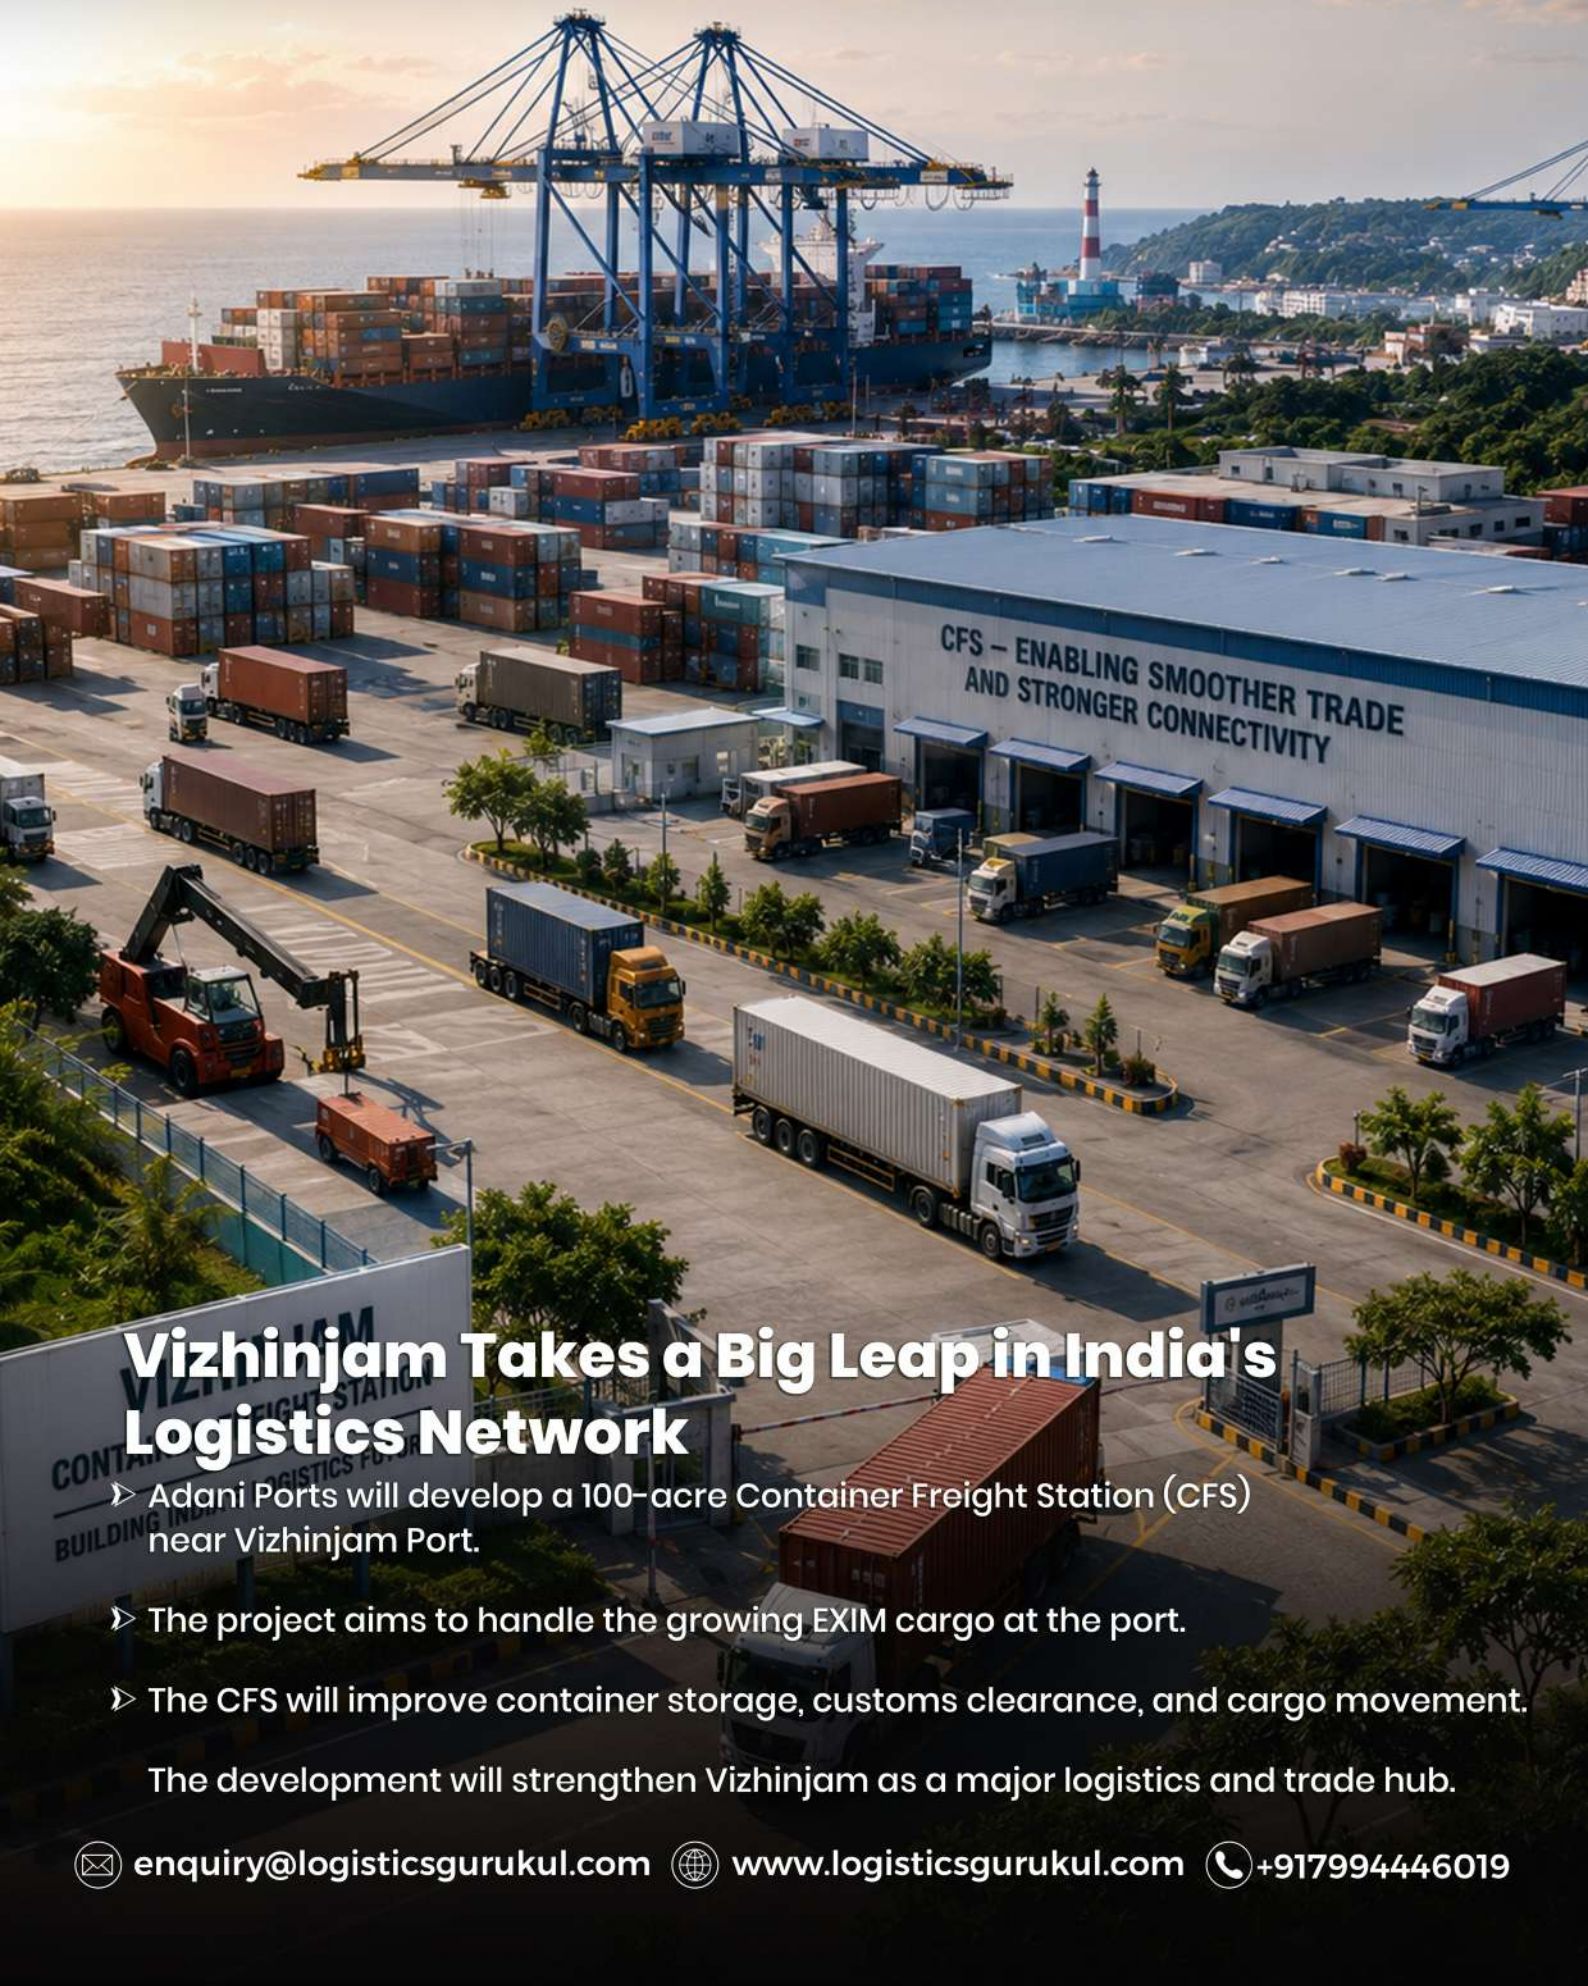

Industrial & Warehousing Leasing Rises 12% in H1 2026

- Leasing reached nearly 22 million sq. ft. in H1 2026, up 12% YoY.
- Delhi NCR and Chennai accounted for over 45% of total leasing demand.
- 3PL, e-commerce, and manufacturing sectors continued to drive demand.
- Strong leasing reflects sustained growth in India's logistics and warehousing sector.

India & Panama Strengthen Maritime Logistics Partnership

- › India and Panama expand cooperation in shipping and logistics.
- › Partnership focuses on ports, maritime security, and infrastructure.
- › Both countries will collaborate on digital and smart port technologies.
- › The move aims to boost trade and global supply chain connectivity.

Vizhinjam Takes a Big Leap in India's Logistics Network

- Adani Ports will develop a 100-acre Container Freight Station (CFS) near Vizhinjam Port.
- The project aims to handle the growing EXIM cargo at the port.
- The CFS will improve container storage, customs clearance, and cargo movement.

The development will strengthen Vizhinjam as a major logistics and trade hub.
